# FULL LIFE SEMINAR

**Saturday 30th September, 2017**

**09:00—16:00**

**Fishers Creek International Church,  
Önneredsgården,  
Önnereds byväg 84,  
421 57 Västra Frölunda**

***“I’m living this comfortable Christian life where I go to church on Sunday but it doesn’t impact the rest of my life and I don’t feel like I am making a difference in the world.”***

***“Quite often as a Follower of Christ I am told to “go out and share my faith with others”. That is a true statement but we don’t understand HOW to do this. Many times we give it our best effort only to come away disappointed because people don’t believe in God or the Bible or even that real Truth exists. The end result is we feel like we failed and fall back on just “loving people as Jesus would”.***

- Experience the kind of Full Life that Jesus says is possible.
- Bring your faith into other areas of your life (family, friends, work, hobbies...)
- Identify people interested in spiritual conversations.
- Start spiritual conversations.
- Ask good questions and answer difficult ones.

***\*\*\*This seminar is for those who have already made a commitment to be a Follower of Christ.***
